

Tag Rugby competition 1.03.16

On Tuesday 1st March, 10 children from Years 5 and 6 went to Whitworth Park School to take part in a tag rugby competition. We were put in group 4 with Vane Road, West Cornforth and Trimdon Juniors. Our first game was against Trimdon Juniors and we won 5 - 2. Our second game was against West Cornforth and we won that one 6 - 1. Our last game of the group was against Vane Road. We knew this was going to be a tough game because they had also won all of their matches so far. We lost the game 6 - 2. We were really unlucky with quite a few decisions not going our way. We finished second in the group and had qualified to go into the championship group after dinner.

Our first game in the championship group was against Aycliffe Village. It was a really close game that was really exciting to watch. We managed to come out on top winning 4 – 3. Our second game was against St. Johns, which was also a really close game that finished 6 – 6. Our third game of the group was against Sedgefield Hardwick. It was another tight game, but unfortunately it finished 4 – 3 to Sedgefield. Our final game of the group was against Chilton, which we won 4 – 3. We finished second in the championship group, which means we finished 8th overall out of 21 schools at the event. We were so proud of everyone that went to the event! They always showed respect to the officials, the other team and each other.
