

Winter Level 3 School Games

Year 3/4 Gymnastics 17.03.16

After winning the Key Steps Gymnastics competition on Tuesday 9th February, we qualified for the Winter Level 3 School Games, representing Sedgfield. We were up against the winning teams from Durham, Easington, Wear Valley & Teesdale and Derwentside. We knew we had tough competition because all of the teams there competing were already winners in their area. The 6 children that went along to the event were: Erin Thompson, Esha Bhagey, Charlie Holmes, Macy Pritchard, Sally Davison and Olivia Thompson. Everyone tried their absolute best and we couldn't have been more proud of the performances they had put in. We managed to win the vault, with a massive score of 47.6. We also won the floor routine, with a score of 41.5. This made us the Overall Level 3 School Games Year 3/4 Champions, with a huge overall score of 89.1. Thank you to the children for all their hard work leading up to the competition. They were worthy winners.
