SPORTS HALL ATHLETICS

On Tuesday 10th November, 20 of our year 5 and 6 pupils took part in the Sedgefield SSP Sports Hall Athletics competition at Newton Aycliffe Leisure Centre. The competition was a team event, made up of track and field events, so the points each child earned on their event would be combined to give us our total score.

Everyone had a fantastic attitude and didn't let it phase them at all, even though we knew we were going to be up against tough competition. Throughout every event, each child had a smile on their face and they supported one another; we really couldn't have asked anymore from our talented athletes.

We managed to finish in 3rd place with 614 points, and got the bronze medal, narrowly missing out on 2nd by only 18 points. Mr Watson and Miss Cottle were incredibly proud of the children and look forward to our next event.
