## Sports Funding 2016 - 2017

Our funding allocation for 2015/16 will be around **£9000** & the school will allocate a top up of **£8500** (including grants) in a drive to further improve our sports provision and participation, especially with the opening of our new Multi Use Games Area (MUGA) and the Little Gymn project due to open later in the autumn term.

### Aims:

This year, our main goal is to maintain the Gold Level Sainsbury's School Games Mark. We are aiming to increase the after school club attendance beyond 89%. The MUGA is now fully operational and we are intending on having most PE lessons and after school sports clubs to take place there.

A Physical Activity club will be up and running in autumn term, which will promote the Change4life ethos. We are in the early stages of Project Mini Gym and we will be using funding to help push this project to its full potential. Children have already experienced a few sessions on the equipment and the feedback from the children so far has been extremely positive.

Last year we had 10 children trained to act as leap leaders last and we hope to double that this year. This will help promote physical activity throughout the school during break and dinner times. We hope to get our sports leaders to complete a nationally recognised certificate in sport leadership. We also have arranged for our Year 4 children to take part in a 2-day outward-bound session, in April 2017.

**Projected cost: £4000.**

---

Through our continued involvement in the **SSP** we will be receiving coaching and support for gymnastics, multi-skills, striking and fielding and invasion games (see separate table). We will also have taster sessions shared between the year groups for judo, basketball, taekwondo and this year, we will be trialling Hoopstarz hoola-hooping sessions. This will continue to develop our provision, skills and opportunities for more pupils to participate.

**Projected cost: £5500.**

Miss Cottle will continue to work with us, not only as an apprentice but also a teaching assistant where she works with Reception 4 mornings a week then will continue her role in PE in the afternoons.

**Projected cost: £8000.**

**Total Cost: £17500**
