

Spennymoor Primary Netball League week 3 23/11/16

After winning our group in week two, we would play the runner from the other group in the semi-final. The team we faced in the semi-final was St. Charles. We went 2-0 down quite quickly in the first half. Ethan then scored a brilliant goal to make it 2-1, then St. Charles scored right before half time, making it 3-1 to St. Charles at half time. After rotating at half time, the team started the second half really up for it and Alyssa scored two great goals and with some excellent defending from Ethan, who was all over the court, it finished 3-3 at full time. It went down to golden goal to decide who would go into the final. They didn't crack under pressure and Iris scored an amazing goal to make it 4-3 and put us into the final.

In the final we were up against King Street A, who also hadn't lost a game, but they hadn't even conceded a goal, so we knew it was going to be a tough game. It was a really tough game, but not a single player gave up and they all kept battling until the final whistle went. King Street won 5-0. We finished second overall, which is a massive achievement and every player had progressed so much throughout the tournament and we couldn't be any prouder of them all. The schools games value for this event was teamwork and our team showed enormous amounts of teamwork.
