Pupil Premium Leads To Sporting Success 2016 - 2017

We are delighted to report, after a year of sporting success and hard work, our school achieved the **Gold Level for the Sainsbury's Games Mark** again. The school had to meet a large number of prerequisites as well as evidence of competition entries, PE workforce involvement, after school clubs and sport provision.

We needed to engage at least 89% of students in extracurricular sporting activity every week and through Miss Cottle's commitment and our fantastic children, we achieved 89% in KS2. Our school entered B teams into festivals for Quad kids, cricket and netball and we entered a wide range of sporting festivals throughout the year. Due to the impact of our sport premium and planning, our school had great success participating in a large number of competitions:

- Cross country competition, where Alyssa came 3rd in the Yr5/6 girls' race and qualified for the county finals.
- Sports hall athletics competition, where we finished 2nd and qualified for the final.
- Spennymoor netball league, finished 2nd.
