

# **Spennymoor Netball League 2017**

**Selected children from Year 5 and 6 took part in the Spennymoor Hi5 Netball League at Spennymoor Leisure Centre. In the first week, the games were both friendlies. In the two weeks after that, we took part in a round robin league. You received 3 points for a win, 1 point for a draw and 0 points for a loss. After every half, the team swapped positions to give everyone the opportunity to play every position.**

**Our first game was a friendly against North Park. The whole team played really well together, with great passing. Ella and Erin both scored in this match, winning the game 2-0. In our second friendly, we played King Street A. In the first half, King Street scored 4 goals. In the second half, we played much better but unfortunately didn't score, so the game ended 4-0 to King Street A.**

**Week 2 was the start of the competitive league. Our first game was against St. Charles B. Sally scored a super goal in the first half. St Charles scored in the second half. We had loads of chances, but luck was not on our side. The game ended 1-1, so we earned 1 point from our first match. Our second game of the night was against St. Charles A. It was another extremely close match. At the end of the first half it was 2-2, with Ellie and Erin both scoring. St. Charles scored the only goal in the second half, making the final score 3-2 to St. Charles A.**

**In the final week, we were due to play King Street B and North Park but North Park dropped out of the league. Instead, we played a friendly against St. Charles B. All points earned by teams, who had already played North Park, were withdrawn to make it fair. The first half ended 1-1, with Sienna scoring, who was very unlucky not to have scored more. Ella scored a brilliant goal in the second half and we won 2-1. We then had our friendly against St. Charles B and just like the last time we played them it was a very close game, with both teams playing very well. The game finished 1-1 with Sally scoring our only goal. We managed to finish 3<sup>rd</sup> in the league with 4 points.**
