Our Time to Shine

Pupil Premium Spending - Impact

The children in our school who are classed as disadvantaged and consequently generate Pupil Premium are spread across the school, varying from 2 to 10 pupils in each year group. Close tracking enables us to target these children throughout their school life to ensure they make the same progress as their peers.

2017-18 Allocation: £79499.

Focussed interventions and high quality support in class has always been our driver to improve standards and diminish the difference between our disadvantaged pupils and non-disadvantaged pupils. Disadvantaged pupils are tracked termly by our Pupil Premium Champion and monitored by our Pupil Premium Governor to ensure they are making the best possible progress.
