Our Time to Shine

PE funding 2018-19

Our funding for this year is again around **£18,000** from the DfE. These are our desired outcomes from spending this allocation.

Aims:

We aim to achieve the Gold School Games Mark for a fourth year in a row. We also aim to maintain the silver County Durham Leadership award and work further towards achieving the gold award. Every child in year 5 will be a trained sports leader. Last year every child in year 5 achieved at least a bronze leadership award for all of the work they do around school including leading games, refereeing, leading warm-ups and running competitions. We hope to maintain a high level of leadership involvement this year. Year 5's leadership training will start in November. We receive 10 places within the scheme we have bought into to take part in the training, however we will supplement an additional £84 (£7 per child) so all children can be a part of the training. Added to this, the cost of updating resources for the leaders, we have allocated a total of **£1,000**.

We subscribed to the enhanced SLA from the SSP. This entitles us to attend any of the competitions they will run throughout the year. We plan to attend even more competitions again this school year and attend more whole class festivals with our Reception, Year 1 and Year 2 classes attending a Multi-Skills festival, to increase participation numbers in competitive sporting competitions. Funding will be used to supplement the fee of buses to transport children to and from sporting events. One of the aims of the sports premium is to provide a broad range of sports and activities to all pupils, so this year our coaching plan from the SSP will include; free running, boxing, hockey, fundamental movement skills and physical activity after school clubs. We aim to use the support we get from coaches to increase confidence, knowledge and skills of all staff in teaching PE and sport. We will also receive an Active 30 package, a Fit for Life beginners programme, a judo taster day and a Fit for Life Day to up skill the children and staff in PE. Cost of SLA - **£6,100**. Cost of transport - **£2,500**.

Our Time to Shine

Miss Cottle will continue to support PE 3 afternoons a week and 1 afternoon of Forest Schools to raise the profile of PE and sport across school as a tool for whole-school sport improvement. We also aim to raise the participation levels further in extra-curricular clubs, by offering an extensive range of sporting clubs. Cost - **£7,000**.

Additionally, funding will be used to pay for new resources for PE and Forest Schools to enhance the lessons we provide. Finally, Active 30 is of high importance and we will continue to enhance our provision to ensure that every child achieves 30 minutes of moderate to intense activity every day within school. We have signed up to the Durham Active 30 pledge, which will support us with resources and give us the chance to earn rewards for our Active 30 efforts. Cost - **£1,400**.
