Our Time to Shine

Impact of 2018-19 funding

We are delighted to have achieved the Gold School Games Mark again, for the fourth year in a row. One of the sports premium aims was the engagement of all pupils in regular physical activity and we had many club opportunities again, with 82% of KS2 children participating in a sporting club. We had a wide range of clubs on offer including:

- Y1/2 Little Gym
- Y5/6 Netball
- Y3/4 Multi-Skills
- Y5/6 Basketball
- Y5/6 Tag Rugby
- Y1/2 Dance
- Y3/4 Tennis
- Y3/4 and 5/6 Gymnastics
- Y5/6 Football
- Y3/4 and 5/6 Athletics
- Y4/5 Cricket

38% of our KS2 pupils were sporting leaders, either being a referee, leap leader, leading in lessons or lead a sporting event within school. This all contributed to us achieving the silver County Durham Leadership award.

The Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school. Therefore, we enhanced our playground facilities and have more opportunities for physical activity at playtimes with the new dancing area, agility trail and having basketball as well as football on the MUGA. There are also opportunities for pupils to be active within the two PE lessons they have a week and in the Little Gym. In 2018-19 all of our pupils achieved at least 15 minutes physical activity a day outside of PE lessons and around 70% achieved 30 minutes or more.
